

Up & Over Hunter and Jumper Association 2022 Show Affiliation www.upandoverequestrian.net

We would like to encourage you to consider having your show(s) included on our list of point approved shows for the coming show season. Our membership includes over 100 members.

With your paid affiliation fee, we will provide you with a current mailing list, membership forms, and a rule book. Your show will also be listed on our list of approved shows on our web site. Being a point approved show will encourage participation by our members and provide a greater network of support for your show. Year-end awards are offered for Hunters and Jumpers.

We also offer a Challenge Medal for both Juniors and Amateurs that require participation during the show season to accumulate points to qualify for the finals held at our last point show of the season. Shows may hold open equitation classes at two heights, 2'-2'3" and 2'6" that may be combined and judged together if they do not fill (3 exhibitors). These classes don't need to be restricted to Up & Over members at the show to encourage participation. The exhibitors must be Up & Over members to qualify for the finals however. These classes are optional and are not required for point approval of your show. However, we hope you will offer these classes.

- All shows must agree to mail prize lists to all Up & Over members or provide a link to their websites.
- All shows must agree to print "Up & Over point approved show" on their prize lists.
- Shows need not offer all classes or point divisions to be approved.
- Show dates may not overlap without Board approval.
- Show management must agree to send show results, including class sheets with the number of competitors and championships within 14 days of the show. Failure to do so may disqualify points for the exhibitors and future show approval.
- Show management must agree not to use in-house judges.
- Ample schooling area, parking and restrooms should be provided.
- Safety of exhibitors and spectators is a high priority for all point approved shows.
- Affiliations fee is **\$10.00 per show day**. Up & Over has the right to refuse approval of shows. There will be no additional fee to host Up & Over Medal classes.
