* means you have shown at the required 3 shows for your points to qualify for year end awards.

If you have shown and your points are not here, remember points do not accumulate until your 2012 membership forms have been received.

Some shows may offer classes with names different from those in our rule book. If the qualifications and fence heights are comparable, you may be awarded points towards our corresponding classes.

Please feel free to contact me with any questions about class specifications or your points. Just a reminder, for points to count in the Horse Divisions the owner as well as the rider must be members.
